

## Post Doctorate Fellowship

# Virtual Markets, Ethics, and the Law Post-Doctorate Fellowships

The Edmond J. Safra Center for Ethics and The Blavatnik Interdisciplinary Cyber Research Center at Tel Aviv University are delighted to announce two new post-doctorate fellowships, focusing on virtual markets, ethics and the law, for the academic year 2018-19. We are looking for candidates who wish to explore the ethical challenges of the market in the increasingly significant cyber environment. Both empirical and normative research projects are welcomed.

**Grant Amount: \$28,000**

Candidates must have a Ph.D. from a recognized institution in Israel or abroad, and must have received their degree after February 15, 2014. Candidates with permanent positions at universities or colleges are not eligible. Preference will be given to candidates who have not received their degree from TAU.

Additional funding for travel for non-Israelis fellows is available.

The Research Fellows will be part of the Center's research group and will take part in the Center's activities. While in residence, the fellows are expected to dedicate their full time to research and will be expected to present their research projects at the ICRC events.

### Applicants must submit:

- Documentation indicating eligibility for a doctorate degree, or certification of the submission date of their dissertation.
- Three letters of recommendation. Preferably, at least one recommender should not belong to the academic institution where the applicant was a doctoral student.
- Summary of the doctoral dissertation and a brief description of the research plan (each up to two pages).
- CV, including a list of publications (if applicable).

Deadline for submission of all application materials: **Feb. 15, 2018.**

Application materials should be sent by e-mail to: [safracen@post.tau.ac.il](mailto:safracen@post.tau.ac.il)
